United States District Judge

Re: Jose Olvan Dominguez-Mejia v. Paul Arteta, No. 24 Civ. 12 (JLR)

Dear Judge Rochon:

This Office represents the government in the above-referenced action, in which the petitioner challenges his detention by U.S. Immigration and Customs Enforcement and seeks an order directing his release. Pursuant to the Court's order of January 4, 2024 (ECF No. 3), the parties have conferred and respectfully write to inform the Court that they believe the conference that is scheduled for January 25, 2024, is unnecessary in this case and that briefing is appropriate. Therefore, the parties request that the Court endorse the following proposed briefing schedule:

- Respondents' Return and Opposition are due by February 8, 2024; and
- Petitioner's Reply is due by February 20, 2024.

On behalf of both parties, I thank the Court for its consideration of this request.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
